### Thoughts From Your Principal...

"No act of kindness, no matter how small, is ever wasted." ~Aesop

Did you know that showing kindness actually helps you experience positive mental and physical changes and reduces stress? It also helps boost self-esteem and creates better leaders through empathy. When we prioritize kindness in our environments, it helps kids feel safe, more confident, and better prepared to form social connections.

At Linton, kindness is part of our daily pledge. It is celebrated when seen. We make kindness a priority. We are so thankful for the kind efforts shown to Linton students so far this year. What a great time to say, "THANK YOU!"

**Wish for Wheels and Dohn Construction** donated a new bike and helmet for every second grader.

**Timberline Church** provided lunch for all staff during their workday.

**CSU** continues to provide all the backpacks filled with the supplies we need each year.

**Downtown Fort Collins Business Association's** Coats and Boots program supplied close to 80 new coats and boots for our families.

**Wal-Mart** donated boxes of glue, folders, sanitizer, and school supplies.

**Serve 6.8** will again provide food at Thanksgiving and holiday help for families who have that need.

**Project Smile** continues to provide toothbrushes and toothpaste for children to use at home. They also connect families with free emergency dental care for children.

**Triple Crown Sports** have given boxes and boxes of shirts and sweatshirts. We have put them out at our breakfast event and Halloween!

We have an **anonymous donor** who donates \$9,000.00 each year so 4<sup>th</sup> and 5<sup>th</sup> graders can continue to pick out "free" books each month.

We are always thankful for the kindness our families show our staff each day. If you are interested in some family activities to focus on kindness and giving this month, see below!

Fondly,  
 Kristin W. Stolte

- **Yard Clean Up: Volunteer as a family!** We desperately need help picking up trash outside. Come on over anytime!
- **Send Kind Thoughts:** Take time to write a thank you to your teachers, send a card to a relative that lives far away, or drop off pictures/letters to a local nursing home.
- **Practice Random Acts of Kindness:** As a family, look for ways to make someone's day a little brighter. This could be giving a bus driver some homemade cookies, designing book marks to pass out to neighbors, or leaving an inspirational quote on a friend's car.
- **Do you have any elderly neighbors that could use help raking leaves? Taking their trash out?**

We are fortunate that the Department of Agriculture continued to fund free breakfast and lunch for any and all students who want it this year. If you normally qualify for Free/Reduced or if your employment situation has changed this past year, we are still asking you to complete the Free/Reduced application. This helps the district to allocate our funding and offers you a waiver for fees such as field trips.

To fill out the Free/Reduced application use the following link;

## School Accountability Committee (SAC)

This site-based management committee is composed of staff, parents and community representatives. This committee meets 4-5 times a year, provides feedback for decisions that most affect teaching and learning, review budgets and staffing options, and monitors school goals. Attending a SAC meeting is open to any parent or staff member. Membership is for a minimum of two years and includes five-six parent representatives. Parents are encouraged to contact any parent rep and share their thoughts and ideas. The committee also includes a community member, a teacher, and administration.
