

Mrs. Pollock's Enrichment Class News

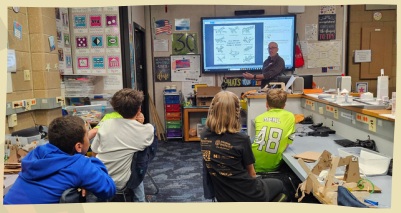

LINTON ELEMENTARY SCHOOL

1ST QUARTER
2026 - 2027

WELCOME TO 3RD, 4TH & 5TH ENRICHMENT TIME

Welcome to our GT/Talent pool Enrichment time. This time is designed with STEAM (Science, Technology, Engineering, Art and Mathematics) and Project Base Learning (PBL) enrichment activities. We will be exploring and combing the areas of STEAM/PBL and aligning them with what is being taught in the classroom in a fun and innovative way. We will be meeting everyday for 30 min. during their classroom's intervention time. My goal is to promote critical thinking and grow independence that will enhance student learning and build confidence in and out of the classroom. We are looking forward to ALL the fun this coming school year. Thank you for your support.

EVENTS THIS QUARTER

- Welcome/Introduction
- Positive Mindset
- Review Schedule
- Book selections for reading
- Math format and review
- ALP/Goal Setting

"You'll never do a whole lot unless you're brave enough to try."

~ Dolly Parton
