

KINDERGARTEN 2021-2022

Welcome Incoming Kindergarten Families! We are thrilled to welcome a new group of Linton Lions into our school community. In lieu of an in-person event this winter, this page has all the information you may need to register at Linton. We will continue to update this information over the next several months.

Your child must be 5 before October 1st, 2021 to be eligible for kindergarten next year.

Our Poudre School District website has a great kindergarten information page for you at <https://www.psdschools.org/kinder>

You will need to register your child(ren) online at <https://www.psdschools.org/onlineregistration> between January 8-14th. This is required for your child to attend any PSD elementary school. If you already have a student in Poudre School District, you will register your kindergarten student using our Online Registration and your ParentVue log in. If you are new to Poudre School District, you will need to create a ParentVue account and then register your student using Online Registration.

Our Virtual Event information will be coming soon!
