

Much like all of you, we have seen some unusual times right now. With SNAP benefits being cut and people not being paid to work, we have a lot of people that could use some help. So, we're going to do what we can.

We are going to be offering a free meal to anyone who needs it. All we ask is that you come visit the store and ask for the "Community Special". We will be offering a bean or beef burrito along with an order of Potato Olés for anybody in need. No questions asked.

Our number one job is to feed our community. We are going to make sure that everybody can have a hot meal no matter what.
